PRESIDENT'S PAGE

Greetings fellow Olds Club Members,

Welcome all to another New Year. We are off to a warm start to which we should be able to enjoy driving our cars or maybe even working on them on a not so cold driveway or garage floor. At least for a short time as our temperature yo-yo's back and forth.

Our monthly meeting will be held at the Holiday Inn Express in Hendersonville. It is located at 615 E. Main St. We will be meeting on Saturday JANUARY 14TH at 9 am. The hotel is near the Bluegrass Country club and near the intersection of Saundersville Rd. For you veterans- this is our old meeting place and we will be right off the main lobby.

The newsletter will be a little lighter this month due to a deficiency of show material to promote as well as a shortage of time due to the busy Holidays.

Hope to see you at the meeting- in your Oldsmobile.

Aaron

MISCELLANEOUS- This area is for you. Any Cars or parts you want to sell, trade, want or just general information you'd like to share.

If anyone needs a part for a 1968-72 Cutlass, I have a lot of odds and ends that I would sell or trade.
Thanks, Don Austin

I have a 71 Cutlass I want to sell and if you could put in the next news letter that would be great. If you could send it out to all the members before the next news letter, that would be great also. It's a Supreme with bucket seats and console. It needs a left rear qt panel, floor pans, and trunk pan. Motor runs and it can be driven. It has new battery, tires and starter. All I want for it is what I have in it, \$1700. Anyone can call me at 615-390-4913 to ask questions and request pictures.
Thanks, Wayne Thompson

Wanted to buy: 1970-71 pearl colored bucket seat headrests. I am also buying NOS 1970-72 Cutlass/442 parts. Contact at donaldwray@aol.com

1964 Vintage Limo for weddings, etc - \$22000 (Dickson County)

We are selling our 1964 Olds 98 limousine. This car is mostly original with 40,000 original miles. We have used it for weddings, anniversaries, and nights out. It is always the hit of show. The car runs great and rides very comfortably. This is a very rare car that has withstood the test of time very nicely. It's always been stored inside. This is a factory limo built on May 5, 1964. It has the original owner's manuals and many service records. For more info about the car, go to our website at www.vintagelimoservice.com. Please call me, William, at 615-426-1625 for questions and to come see this fantastic piece of history. Thanks for looking and have a good day
